Trans-AID Eligibility Application
For Persons with Psychiatric Disabilities

Trans-AID, a paratransit system operating in accordance with the Americans with Disabilities Act (ADA) of 1990, is designed to serve individuals whose disabling condition or functional limitation prevents them from using regular fixed route WSTA bus services.

Who Is Eligible?

Under the ADA regulations, individuals who qualify for paratransit services (known as Trans-AID) qualify for at least one of the following three categories:

1. The individual is unable, as a result of mental, visual or physical impairment as defined in the ADA to get on, ride, or get off an accessible vehicle of the WSTA fixed route bus system;
2. The individual can use or learn to use an accessible public transportation, **BUT** such a vehicle is not available on the route when the person wants to travel;
3. The individual has a specific impairment-related condition (including limitations of vision, hearing or disorientation), which prevents travel to or from the Downtown Transportation Center or stop of the WSTA fixed route bus system.

If at least one of the above items that applies to you, identify that item by filling in the corresponding number(s) _________. (**Example - If you have a mental or physical impairment and cannot access WSTA fixed route system, you would fill in the #1).**

**Eligibility: What You Should Know About This Program:**

- Individuals who can access regular fixed route bus services may not be eligible for Trans-AID service.
- Trans-AID service operates where the WSTA fixed route service operates, and during the same days and hours.
- If the applicant is determined to be eligible for this program, one of three designations may be made: Unconditional, Conditional, or Temporary. Unconditional eligibility indicates that the applicant can use Trans-AID services for all trips with the service area. Conditional eligibility indicates that some trips are eligible and some not, based on functional ability to use the WSTA bus system, given the specific environment and demands of each trip. Temporary eligibility indicates that your condition is not permanent and you have an expected duration of your disability.
How to Apply

To apply for the ADA Paratransit services (Trans-AID), you must complete an ADA Paratransit Certification application, which can be obtained from the Winston-Salem Transit Authority (336.727.2000) or www.wstransit.com and clicking Paratransit. You must complete both parts of the application in its entirety in order for your application to be considered. Please complete part A of this application. Then provide both parts A & B to a medical, certified or licensed professional who is familiar with your qualifying condition.

Application Process

Once your application is completed, contact WSTA’s ADA Department at 336.727.2000 to request a site assessment of your/the client’s residence. Our Safety Department will come to the residence or point of origin to access the exterior to ensure our vans can provide transportation to the location safely. Once we have received the completed environmental evaluation from the Safety Department, a representative from WSTA’s ADA Department will call to schedule an in-person interview and functional assessment to determine your eligibility.

On the date of your scheduled interview, please bring your completed application (both parts A & B). Do not mail, fax, or email your application. Your eligibility will be based on the following factors:

- Information provided by applicant in part A of the application
- Information provided in Part B by professionals (i.e., physician or therapist) familiar with your qualifying conditions
- In-person assessment of your abilities. All in-person interviews and assessments are held at the Clark Campbell Transportation Center
  - If requested, WSTA will provide transportation at no charge to and from the appointment for eligibility determinations.

Once WSTA staff has reviewed the completed application, and conducted the in-person interview and assessment, the ADA Compliance office has 21 calendar days to determine the eligibility for the transportation services. If WSTA has not made a determination of eligibility within 21 calendar days, you will be treated as eligible and may receive Trans-AID services until WSTA makes a determination.

If you are denied Trans-AID eligibility or are granted conditional or temporary eligibility, you will receive a letter regarding the decision and a copy of the Trans-AID Appeal Process. You have the right to appeal the eligibility determination.

WSTA will continue to accept re-certification applications for passengers eligible for ADA transportation. Re-certifications are for existing passenger’s eligible for Trans-AID under the ADA program. In order to continue utilizing the Trans-AID service, you are required to renew your certification every three (3) years. However, if you have been diagnosed with a permanent disability (i.e., total loss of vision, multiple sclerosis, and autism), re-certifications will take place every five (5) years; no professional verification is needed from a professional.

This application is available in alternative formats. If you would like additional assistance, please call (336) 727-2000. The information in this application will be used only to determine your eligibility for Trans-AID services, and will be kept confidential.

Trans-AID Eligibility Application – Part B
Professional ADA Verification

You are being asked by the applicant named in Part A of this application to provide information regarding his/her ability to use the public transportation services of the Winston-Salem Transit Authority. WSTA provides ADA paratransit services through Trans-AID to ADA eligible persons with disabilities who cannot use regular services. The information you provide will allow us to evaluate the request and determine the individual’s specific needs. Thank you for your cooperation in this matter.

PLEASE NOTE: WSTA fixed route transit services available within the city are currently accessible to persons with disabilities who need lift-equipped vehicles, vehicles which kneel to the curb, and/or announcement of bus stops. The individual applying for Trans-AID service MUST BE UNABLE TO ACCESS THESE SERVICES due to:
  ~ Conditions which prevent them from getting to or from a WSTA fixed bus stop, or transferring between vehicles and/or
  ~ Conditions which prevent them from being able to independently get on, ride, or get off a lift-equipped vehicle.

Individuals for whom performing these tasks is inconvenient or uncomfortable are NOT ELIGIBLE for services, and you are asked to verify this information.

Eligibility for Trans-AID is determined on a trip by trip basis. It is extremely important that you provide specific information about the individual’s functional limitations, so these determinations can be made. For example, an individual who can easily and safely get to the bus stop nearest their home may not be able to get to a bus stop at their desired destination and thus would be eligible for transportation based on the destination.

Please follow these steps to verify this application:

1. Read Part A of the application in its entirety.
2. Fill out Part B of the application completely, using the criteria provided.
3. Return the completed application to the applicant within 7 days of receipt. The applicant is responsible for returning the application to WSTA.
4. Be aware that you may be contacted for further information if questions remain about the applicant’s abilities.
5. If you have any questions, contact WSTA at (336) 727-2000. If you use a TTY, call 1-800-735-8262 and ask to be connected to (336) 727-2000
